

For many, Diversity, Equity, and Inclusion (DEI) can feel overwhelmingly complex. This newsletter attempts to clarify important DEI concepts with brief, digestible resources that are thematically related to the monthly VGEC CIRCAA program curriculum. This month's DEI keyword:

Pride Month

A month-long observance in celebration of lesbian, gay, bisexual, transgender, and queer people—and the history, culture, and contributions of these people and their communities. It is not limited to people with these sexualities or gender identities.
