

For many, Diversity, Equity, and Inclusion (DEI) can feel overwhelmingly complex. This newsletter attempts to clarify important DEI concepts with brief, digestible resources that are thematically related to the monthly [VGEC CIRCAA program curriculum](#). This month's DEI keyword:

Cultural Appropriation

The non-consensual/misappropriate use of cultural elements for commodification or profit purposes – including symbols, art, language, customs, etc. – often without understanding, acknowledgment or respect for its value in the context of its original culture.
